Dear Priyadharshini,

We are pleased to offer you the position of **Student Growth & Marketing Intern** at Meshyog Technologies. We believe your enthusiasm and communication skills will contribute significantly to our growth.

Roles & Responsibilities:

- Promote institute in colleges and student communities
- Coordinate workshops and events
- Manage social media and student engagement
- Handle student inquiries and convert leads into admissions

Compensation:

- Monthly Stipend: Rs. 4,000
- Incentive: Rs. 1,000 per student admission

This internship offers a flexible working structure and an opportunity to gain real-world experience in marketing and business development.

We look forward to working with you.

Sincerely,

Varadharajan R
Meshyog Technologies
